Letter No. 1120 dated 20-12-1911 from the Deputy Commr., Kadur Dist., to the Sanitary Commr.

I have the honor to forward herewith for favor of your countersignature and transmission to Government for sanction, a bill for Rs. 347-15-3 together with the statement received from the District Forest Officer, Kadur District, and also the detailed lists prescribed in Government Order No. 8082-93 Sany. 149-09-2 dated the 16th March 1910 on account of the hutting materials issued by the District Forest Officer in connection with plague operations in the District during the year 1909-10. It is seen from the enclosed statement that materials to the value of Rs. 24-12-11 were sold to the public at cost price and the amount has been fully recovere and credited to plague funds on the dates noted in the enclosed list.

2. As regrds the disposal of the balance of hutting materials shown against Chickkamagalur in the appended bill, I am to state that as plague was raging in Kadur during the year 1909-10, they were despatched thither for being distributed to the people according to the rules. Necessary action will be taken to return to the Forest Department the stock of hutting materials that might have remained after distribution in Kadur Taluk and get credit therefor in favor of the Plague Department.

3. I am to add that the delay in the submission of this report was inevitable as the difference in the rates for big bamboos as sold by the Forest Department with

with those accepted by the Vice President of Chickkamagalu necessitated some correspondence.
